1. Select & Prepare Your Photos

Choose the pictures you want to use, up to the maximum number permitted for your ad size (see above). **You will need to submit digital copies of the photos in JPG, PNG or TIF format.** For help converting a print photo to a digital file, visit a local store (such as Target or Walgreens) that offers photo-scanning services. Photos should be high quality, school-appropriate and not copyright-protected. We are unable to include collages with multiple photos, “naked baby” pics or photos with hand symbols. *We reserve the right to refuse any photos that do not meet editorial standards.*

2. Write Your Message

Prepare the message you want to appear on the page. The total word count is determined by the size of your ad (see above). Any “hashtag” statements, special characters/languages or non-age-appropriate references will be removed. *We reserve the right to edit text for spelling/grammar and to meet stylistic standards.*

3. Submit Your Order

Place your order online using a credit card at **www.yearbookforever.com** (enter and select school name, then click “Buy Senior Ad.”) In the “Enter your headline” field, simply type the first and last name of your senior. Next, enter your body copy message. Then, upload your photos. Captions will not be used, but you may indicate which photo you would like to be the dominant on the page by noting in the caption field or “special instructions” box. Your page will be designed with care according to our editorial guidelines.
