

Pre-Employment Transition Services

Pre-Employment Transition Services (Pre-ETS) help students with disabilities advocate for themselves in the workplace, prepare for employment and gain real-world work experience.

Eligibility

Students, ages 14-21, who are currently enrolled in school, have an IEP or 504 and are a client of the Division of Vocational Rehabilitation (VR).

Program Access

Already a client of VR or the VR Pre-ETS Program

Contact your VR Counselor to request these services through Seminole County Public Schools.

Become a client of VR or the VR Pre-ETS Program

Contact your school's Transition Resource Teacher and complete the VR or Pre-ETS Program referral form.
